EnglishStrokes

Word by word, stroke by stroke!

Turn your love of Cricket into success with English! Learn English online with the help of this course brought to you by the British Council and Kris Srikkanth.

English**Strokes** is designed to let you have lots of fun and learn along the way. You will find a variety of listening activities, video content, games, conversations, cricketing facts, fun tasks and language exercises. You can also listen to anecdotes from some of your favourite Cricket players, learn more about their profiles and watch them in action!

Available at 3 levels of difficulty, English**Strokes** will help you to:

- learn useful vocabulary
- improve your grammar
- improve your spoken English
- develop your listening skills
- develop your pronunciation of English
- develop your confidence, accuracy, fluency and communicative ability.

English**Strokes** will help you with all your English skills. You will have a learning experience built around interesting animations, and you will have a chance to actively use and improve your listening, reading, writing and speaking skills.

Meet the Gang!

You will learn English through realistic dialogues between a group of friends who are united by their love of Cricket!

◀ Indie

The walking Cricket fact book, she loves explaining things!

◀ Sohail

Wants to be the Indian Cricket captain one day, but he is always a good sport.

◀ Sam

Serious Sam wants to be a CEO by the time she is 30, so she doesn't mess around.

Matt ▶

Happy-go-lucky Matt is a fanatical footballer, but he is starting to like Cricket too.

▶ Maya

Fun loving Maya simply adores fashion, and she knows that Cricket is the coolest game in town.

VJ ▶

Studious VJ wants to become a Doctor. He loves Cricket and knows all about sports nutrition.

You will be able to follow the characters through three levels of difficulty, and you will be supported by Kris Srikanth all the way. This online course gives you the confidence and skills you need to communicate effectively in English and will help you achieve your goals and dreams!

Why BritishCouncil EnglishStrokes

The British Council is the United Kingdom's international organisation for educational opportunities and cultural relations. The British Council creates international opportunities for the people of the UK and other countries and builds trust between them worldwide.

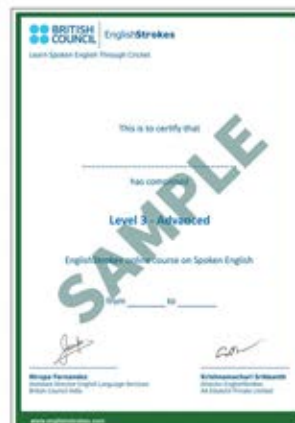

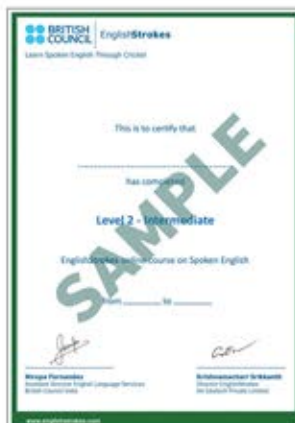

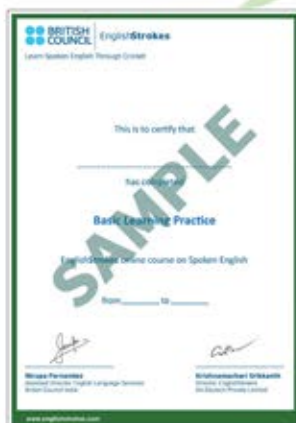

The British Council is the world's largest and most reputable English training institution. They have over 70 years experience in English language training, so what better way to learn than having the best.

English strokes focuses on making your learning experience interactive. We make your learning as interactive as possible by providing you with what it takes to learn and master English. It doesn't matter whether you are just beginning to learn English or you have already tried other English courses, when you start learning on English strokes you will learn what it takes to become a master in spoken English.

Our Motto

Our motto is simple "content is king" and we are here to provide you with the best learning experience on the planet. Our course content is completely unique and easy to follow. We have combined years of research to bring to you the easiest way to learn English
